I'm looking for a person who doesn't want to have kids. Since my doctor told me that it could be difficult for me to get pregnant. I got married in 2005 and divorced in 2008. The reason was friction between me and my mother-in-law.

What are your hopes and plans for the future? I'd like to decide these things with my partner. I hope to be able to spend our life peacefully together.

What message would you like to send to your future spouse? I'd like to support my darling. I'm looking forward to seeing you. Let's enjoy our life together.
