How long at present occupation? About 4 years

Education: 2-year college

Languages: Japanese, studying English (I can handle conversation necessary for travel)

Hobbies/Interests: Calligraphy, traveling, languages (studying English and want to try others, too), going for walks in town, hiking, skiing, basketball, playing the piano, making confectionary, singing (for example Karaoke), love flowers

Do you want children someday? Yes No

Do you already have children? Yes No — I have a daughter who is 5 years old. I'm taking care of her and my grandmother who lives with us is helping me. I delivered a baby unmarried, but enjoy raising her. She is a smart girl & loves reading.

Do you smoke? Yes No

How would you describe your personality? Very cheerful, positive and interested in new things, curious, laugh a lot

What is most important to you? Family and times I can spend smiling. Having room to breathe for relaxing. Protecting my loved ones.

What countries have you been to? UK, Germany, France, Switzerland, Italy, Netherlands, USA, Canada, Australia, China, Malaysia, Singapore, Taiwan, Hong Kong, Thailand

Is there anything about you that your future partner would want to know before becoming involved with you? Yes No I've been doing whatever I want in my favorite ways. But now, I'm seeking a partner who can understand from his heart and wants to walk the path of our lives together.

What are your hopes and plans for the future? I'd like to have some more children and raise a happy family. I want to establish a relationship in which we can talk about anything together. About the country we'll live in, I'd like to decide after we talk about it. But in the future (in our old age), I hope to spend several years overseas.

What message would you like to send to your future spouse? I want to love you forever and be loved forever. Let's build a relationship in which we can share any moment and respect each other.
