I'm looking for honest and pure love. Now, I'm 33 years old. So, I'll be glad if I can meet someone who I can walk the path of the life with in the future.

What are your hopes and plans for the future? To be loved, marry my dearest person, and have children if possible. I'd like to raise a family that cherishes family most, rather than money or other things.

What message would you like to send to your future spouse? I believe your love is shown by how much you can support your partner, especially during difficult times. But for everyday life, I'm looking forward to meeting someone who I can spend relaxing times with, and smile, make jokes, and enjoy things with delight.
